About IACC

The IACC (www.iacc.org) is a Washington, DC-based not for profit organization representing the interests of companies concerned with trademark counterfeiting and the related theft of intellectual property. The members of the IACC include many of the world's best known brands across all product sectors. The IACC has played a leading role in the development of cross-industry voluntary agreements, to address the illicit trafficking of counterfeit and pirated goods online, including its IACC MarketSafe, RogueBlock, and IACC-Amazon Program initiatives.
